Pottawatomie Garden Club of St. Charles, Illinois

February 5, 2018

The Pottawatomie Garden Club of St. Charles is very pleased to offer a **\$3,000 scholarship** opportunity once again this year to a high school senior or college student majoring in any of the following areas of study: Agriculture; Botany; Conservation; Ecology; Environmental Concerns; Forestry; Horticulture; and/or related studies. **The student must reside within the St. Charles High School District 303.**

We hope you will encourage students to apply for this substantial scholarship. Interested students may apply by submitting the Scholarship Application Form, which includes an essay requirement, postmarked on or before **April 3, 2018**. The application form is also available at pottagardenclub.org. The completed form and essay can be mailed to Potawatomie Garden Cub Scholarship, 418 Timbers Place, St. Charles, IL 60174. **A copy of the student application and essay should also be given to the school**
